By His Majesty's Authority.

At Mr. *Powels Coffe-House* near the *Royal-Exchange, Cornhill.*

IS to be seen the wonder of the World, being a Man Child, born at *Leeuwerd* in *Friesland*, having in his right Eye these Words in Latin *Deus meus*, that is to say *my God*, in English; and in his left the same Words in Hebrew Characters. He has been seen by most of Kings and Princes of *Europe*, who all look upon him to be the only Wonder of this present Age. Being now brought from *France*, where he was strangly admir'd by the Learned and Curious.

He is to be seen any hour of the Day, without any stay or loss of Time: And such as desire it, may have him brought to their Houses or Lodgings.
